

How To Purchase A Season Ticket 22/23

This year we have had to change how we accept payments for our season tickets (Insert here why?), we can accept payment's through Bacs Transfer, Cash In Store and the V12 finance plan.

If you are interested in purchasing a new season ticket for next season then please follow these simple steps.

1. Come to the store, Monday – Friday.. 10am-5pm with physical cash and we will be able to support you, we can find your new seats and set up the account correctly with you.
2. Email us at Queries@swindontownfc.co.uk, with the new seat details (Map can be found online), the names of all supporters in these seats and the correct price classes. We will then set the account up for you and 'Offer' you your seats.
3. These seats will show on your only account and you can either pay by our V12 Finance plan which can be found on our website, you can come to the club store with physical cash or pay through bacs transfer (details below)
